

# FOR MY TEACHERS

**ON TEACHERS DAY 5<sup>TH</sup>  
SEPT. 2020**

Dear teachers & Principal-Teachers of Jammu Region;

A teacher is the one who with his endeavours, behaviour, knowledge and integrity inspires and transforms his students to be healthy and prosperous assets of a Nation. On Teachers' day, **I take bow** before all my teachers who taught, inspired, motivated and inculcated values of right integrity to remain a humble servant to serve humankind.

I wish and pray Almighty to endeavour in giving such finest teachers for the present generation of students and student-teachers. Teacher is a symbol of sacrifice but not an authority with autonomy to sacrifice his subjects' expecting any kind tangible and intangible gratifications from other end. In my view a teacher is **not the one** who teaches how to count correctly to his students but rather what counts to be the best person in life which yet to be seen by them.

मेरे नज़ार में शिक्षक वो शक्ति हैं जो किसी भी राष्ट्र को प्रगति और समृद्धि के लिए सबसे अच्छी पूंजी का निर्माण करता हैं। हर इंसान स्वाभिमान हो या न हो परंतु एक शिक्षक स्वाभिमान के धनी होना ज़रूरी हैं। शिक्षक दिवस के अवसर पर जम्मू संभाग के सभी शिक्षकों को हार्दिक शुभकामनाएं।
